

According to Ordinance 12-11, Section 6 that was passed on December 3, 2012, if you do not have a separate water meter installed for sprinkling purposes you may receive a sprinkling credit for the sewer rate on the utility bills dated July 1, August 1, and September 1 (water consumption from approximately May 10<sup>th</sup> through August 10<sup>th</sup>). Your sewer rate will be based on the average water usage from the January 1, February 1, and March 1 utility bills (consumption from approximately November 10<sup>th</sup> to February 10<sup>th</sup>) or the lower consumption. Any residential customer desiring the sprinkling credit for the July, August and September utility bill must make a written request to the town prior to June 25.

If you would like the sprinkling credit please sign below and send this form back to the Town Hall, P.O. Box 188, Huntertown, IN 46748. You may also submit your request via email at [utility.office@huntertown.in.gov](mailto:utility.office@huntertown.in.gov). ***This form will only need to be submitted once. You will then receive the sprinkling credit for each summer.***
